with the work of the Children's Aid
Society, but due to the fact that
our homes have been canvassed
for this campaign to raise funds,
and our Institute does not have
any surplus funds at this time,
we forego granting their request for
a donation. Carried

Reports Mrs. M. Young read an article on Mrs. Ruth
St. Leon. Huck and her achievements during
the last thirty years, including work
Citizenship with the Institutes both provincial and
& Education National to international level. She is
now a Governor on the C. B. C.

Also excerpts from an article on Women's
appointments to national and provincial
levels in official capacity, many of these
being firsts for women. Thus showing
that women are assuming greater
responsibility in these fields.

It was noted that Queen Elizabeth II
and Prince Phillip were reported by Radio (that
day June 11) to be planning a trip to Canada
in October, and the Queen to open parliament.
Discussion on the evaluation of Radio & T. V.
programs took place.
