

Aug. 13/57.

Mrs. Ludwick read: Charity. and gave Home Economics hints. To stiffen petticoat, use 3 pcts. plain gelatine, dissolve and add hot water, enough to cover garment, dip garment and allow solution to cool. Then dip garment, quickly, into clear cold water, drip dry and press. Ribbons: soak in cleaning fluid for several hours. Rinse in water with sugar dissolved in it. Dry by rubbing with a clean cloth.

Types of fabrics were discussed, it was decided that we pay for style etc rather than good materials in garments.

Motion by Mrs. R. Brown sec. by Mrs. M. Young that we give a special \$2.00 cash for most points in pies other than apples, as per Cook-rane Fair prize list. carried
