Mrs. A. G. Stiles, Glade gave an interesting report at Public Relations.

Mrs. L. Travers in commenting on reports of conveners, commended their work and said meetings must have been interesting. She commended the Area for support of 4-H projects, and other worthwhile projects but emphasized the necessity to consider local projects first, with W. I. given priority. Mrs. Travers in noting changes in our time, said it may be necessary to re-educate a six year old of today, six times during his or her lifetime. She told of the honour won by Miss Mary Doyle of Pt. Arthur in becoming Dairy Queen. Miss Doyle may be available for
