Mrs. R. Leaylor, Holtzre presided at the morning session in the Orange Hall. The Hymn of all Nations was sung.

Mrs. L. Trivers gave a very fine address in her report of F.W.D.O. She expressed the desire to bring honour to Northern Ontario, which has much in common with her own area, and the Women of the Area attended the same functions as she. She mentioned meeting local women at Crop Top, Ont. A son of a local member, on staff of O.A.C. (Dr. Stan Young) had judged pastures in her area and visited her home. Mrs. L. Humphries in connection with F.W.D.O. work etc.

Mrs. Trivers said many things in our work could be compared favourably and used as examples to others. She pointed out that with any learning there must be repetition and attention. Copies of the yellow sheet with F.W.D.O. projects were available. She spoke of the scholarship award to Miss Pearl Isaacs now in training at Mac Institute. Miss Isaacs worked in a canning factory during summer to gain knowledge of methods to preserve food, 75% to 95% of which are lost by in-
