

Centennial picnics, suppers and entertaining
 Sr. citizens.

Agriculture and Canadian Industries - was
 prepared & presented by Mrs McDonald, with
 100% reporting. A few of the roll calls ^{& papers} were
 an electric appliance I would like to own.
 A manufactured goods and when it was manufactured
 I here and when women can participate.

Necessity is the mother of invention.
 Support Canadian Industries and they will
 support you.

Do not put aerosol cans near fire.

From sea to sea, sea foods being used.

Dawing of a beverage plant, & salt mine
 were enjoyed by two branches.

Mrs Dorothy Doy's report on Historical Research
 and Current Events. Mrs Doy had all
 but one report in. Some of the papers, roll
 calls and displays came under the heading
 of.

The oldest article in your home & its history.
 As youth we learn as adults we understand
 Many branches made quilts & Centennial dresses
 Donations to Cancer and oral speaking
 contest were made.

The Resolutions report was given by
