

Safety Committee Report

On July 8th Mrs D. Rae gave a talk on water safety, included were the Do's + Don'ts of Boating and water skiing. Artificial resuscitation was discussed and Mrs Rae showed us the tube that is used to breathe in the person's mouth and she explained how it was used.

For roll call we answered by a rule for water safety.

We all discussed water safety and looked at several pamphlets that was sent to us by various sources.
