

Irene Empey reported on our Health Programme to obtain drugs to be handled by Mrs. Walker. The idea and effort has been dropped due to incorrect publicity, probably by an ex-Institute member. It was suggested that we approach Mrs. Walker to find if she would like a first-aid kit supplied in her home, as people still seem to go to her for help, medically.

↓ June Joye moved that the I.S. buy a set of baby scales to be loaned to anyone in camp. Seconded by A. Stevenson. Carried.

Irene Empey volunteered to approach James Wright for a hall cupboard that can be locked.

Our District President could not make it to our regular Oct. meeting so it was decided to have a special meeting on Oct. 20.

I. Empey read a paper on: "Television; The Best is Yet to Come"

The number-guessing contest was won by J. Joye. We closed our meeting with an exchange of favourite recipes.

Oct. 20
