

Redmond a life member who passed away Aug 30.  
Mrs Bell read a fitting tribute to her memory as  
follows. "It is fitting that I should express  
a few words at the passing of one of our valued  
members who has been affiliated with the Branch  
of the I. O. O. F. since about 1914. Having joined during  
our work in the Great War. when the W. O. I.  
was the only organized body of women prepared to  
carry on war work and we from this little  
town sent our contribution of comforts to the  
furnishing of the first Hospital Ship. Mrs Redmond  
was a very valued worker among us and all  
down through the years took a very active  
part in furthering the work and success of the  
Institute. In appreciation of her efforts she was  
made a life member. In 1932 she took a keen  
interest in the Memorial Park work and held  
the Conventship for several years. Her kindly  
disposition and pleasing manner had endeared  
her to all. What can we do but sorrow for  
we shall miss her. Her place among us shall  
not be easily filled. She was a gracious hostess  
and often made us welcome at her home. We must  
be glad that she lived to a good age. Her dear husband  
having predeceased her so short a time ago. Now at that  
home we fold the cover as at the end of a book."

Mrs Jane Guithrie

Sec. Mrs. Eliza Bell
