Question Box ←

In reply to a question, Mr. Le May thought that the Branch should pay the expenses of the newly elected District Director for the first year.

In reply to Mattawa Branch, who had recently sold property held by a Board of Trustees, as to whether the present Board of Trustees automatically ceased to function with the sale of the property, Mr. Le May replied that the money received from the sale of the property should be deposited in the Branch funds, and she felt that the Board of Trustees would cease to exist, as the property for which they had been elected as trustees ceased to exist with the sale & there was therefore nothing for them to remain trustees. She advised Mrs. Turcotte Sec. Treas. of Mattawa W. I. to write to 1207 Bay Street for further advice.
