Mrs. Ed. Cuddy - Sec.
Minutes of regular monthly meeting held in Community Hall - Sarah W. J. - Tuesday, June 7
Attendance was twenty.

Minutes of last meeting were read & approved.
Roll call was responded to by "Hints on Gardening" but as there were few responses, it was decided to use some method of improving this. After discussion, it was moved by Miss M. Horner, seconded by Mrs. Johnston, that anyone not responding be fined five cents.
Arrangements were made for taking all the members who wished to go to the meeting in Charlton on June 14.

As a number of members wished to have a course in sewing the matter was brought before the meeting and it was decided that the first two weeks in July would be the most suitable time. As it wasn't definitely settled who was to be instructor, it was decided to call another meeting to arrange for the class.
