

"A good health habit" was well answered. The minutes of the last meeting were read and adopted as read on a motion of Mrs. L. Morrissey and Mrs. F. Pimmell.

The correspondence was a letter from Mary A. Clarke, Superintendent Women's Institute Branch thanking the Seward Women's Institute for a donation of \$10 for sugar for jam making for overseas. Dr. George W. Gibbon wrote that it was not convenient for him to address the Aug. meeting of the Seward Women's Institute.

Contests followed. Mrs. Cuddy was the winner in the "Bird Romance" contest. Mrs. Gould's team won the Quiz contest.

Mrs. Simpkins of Englehart sang two delightful solos. Mrs. W<sup>m</sup> Neal gave a humorous reading. Mrs. W<sup>m</sup> Chrysler, district Vice President, addressed the meeting and presided over a question box which proved interesting and instructive.

The members of the Seward Institute acted as hostesses and served a dainty lunch.
