

MINUTES OF ANNUAL MEETING

Date

Place

Mrs. Hayes was then called upon to speak after expressing her appreciation of being able to attend she reported that S. J. Mackenzie had more reports than other districts. That the main reason for the D.A. is to learn all we can about the N.S. in our own district and if convenors neglect to send in their reports a (adequate) picture cannot be presented. Small branches who feel that the little they can do is not worth while were urged to carry on, to become inspired and to do their part. She reminded convenors of Standing Committee that they must feel they have a definite responsibility and that reports should be sent to District Convenors at least 10 days before the district annual.

On April 4th Con. Industries - Mrs. Hayes said that although only 6 reports had been received they were by no means the only branches who did the work. This is the outstanding committee and reminded us that the great war Canada to produce food for the occupied countries. That beautification of the home be given careful consideration.

The report on War work was good but not complete - Mrs. Hayes reminded us that besides contributions to War work blood donors also helping the Peace Control were essential items to be included in War work.

Citizenship - Mrs. Hayes said it was interesting to hear that we planned to welcome to our ranks that we owe it to them a welcome and that Social Welfare - Miss's school children was commended and congratulated the report in general.

District Representative Mrs. Ross reported attending two meetings one in Nov. and one in April. At these meetings Mrs. Clarke was congratulated on her splendid work.
