Publicity - only one report submitted

Moved by Mrs. Hamilton seconded by Mrs. Ratchford that this report be accepted. (Carried)  
Home Economics - Mrs. Campbell. Cooperator - 10 branches reported.

In this report was comparison of the convenience of to day and of long ago - We all cook - know how to cook and what to cook for a balanced diet - knowing is not enough we must make application of our knowledge. Prevention of mites

Moved by Mrs. Anderson seconded by Mrs. Ratchford that this report be accepted. (Carried)

In discussing these reports Mrs. Hayes expressed her disappointment that Publicity was not taken more seriously - that we should be proud of our organization and of the work we are doing and that every member should be a publicity agent for the W.S. Give favorable publicity to W.S.

On Home Economics - dealing with food, clothing, housing - each branch should report

Small branches were urged to try to carry on and hope for the best

In speaking of the C. operative programme Mrs. Hayes - Mrs. Hayes first calculated our District on its outstanding D.A. that although the rural women are carrying on with farm work she urged encouraged them to try and get corners and keep up W.S. work - The work for home and Country is going to grow and will be
