

# MINUTES OF ANNUAL MEETING

Date

Place

## Historical Research

There were six reports - these included life work of a member - Quiz on H.I. History current event - Community work of pioneers

Moved by Mrs Johnson seconded by Mrs Burns that this report be accepted (carried)

Publicity - <sup>2<sup>nd</sup> rep</sup> Moved by Mrs Hamilton seconded by Mrs Saimeson that this report be accepted (carried)

Miss Slichter then gave a talk on reports she said they were good but could be better that there should be eighteen reports for each convener. Of citizenship - we want to be good citizens - a good citizen does his job - do not overlap on some other committee - all conveners should have the sheet "Functions of Standing Committees". Action is what counts. We may read a lot but it is the action we want. Mrs Slichter advised that discussion should follow each paper. If an article is read and found helpful pass it on - get people interested in H.I. work. She suggested that in Oct Nov & Dec we practice Christmas carols for Christmas - that we learn the machinery of our Govt how the county council etc is run - she suggested that branches ask a school pupil to talk at a H.I. meeting on the machinery of Govt and all branches were urged to keep up their Village History.

Publicity. Miss Slichter suggested that a reporter be invited to meeting to tell how to report to make it interesting. That all conveners try to get reports in.

Agriculture and Canadian Industries. Mrs Gibb.

There were 7 reports on line of vegetables a talk by Agri. exp - sponsoring a tree planting campaign

Moved by Mrs Gibb seconded by Mrs Edwards that this report be accepted (carried)
