The Theme "My Society", which was chosen to honour the Essay written by Mrs. K. Arnatt, which had won third prize on Provincial level, was enlarged upon, by the reading of the Essay, by the writer, after displaying her prize of an Institute Cup and saucer. The essay was very interesting, dealing with the Norman's Institute, the Brain Child of Adelaide Roadless, the problems of other interests taking members away, etc. and prescriptions to heal these wounds.

Mrs. Knowles, made a presentation to Mrs. Arnatt from the District of an Autographed copy of Miss Ethel Chapman's book, "From a Roadside Window" in honour of her success.

Several expressed the desire to obtain a copy of the Essay "My Society", and when Mrs. W.C. Johnston suggested that each branch should have a copy, Miss Gadder said she would make sufficient copies.
