Mrs. Bravulec spoke of reports coming in compared to last year, and in Mrs. Campbell's absence, asked Mrs. Martindale to carry on as alternate District Director.

Miss Geddes - spoke of reports, saying that they were good with plenty of detail in information, i.e. Canadian Industries and Citizenship had splendid Centennial ideas, that we should learn more about other Provinces, that P.R.O. reports prove that everyone seems to have been busy, - in sponsoring a child, and having meetings with other Branches, that the Fall Call for Home Economics - "Make ironing and washing easier", is good in learning of new fabrics, as in Health - "How to overcome tension", & whole grain cereals - all notable topics. Having the 4-H. Homemaking Club girls show their knowledge at meetings is a fine idea, we should watch the North-West Territories and N.S. work there - Historical Research.
