Moved by Mrs Raymond sec. Mrs Austrop that Mrs Ritchie & Brooks be committee for this. Carried.

A discussion then took place in regards to having card parties to start a fund towards a Hall. What we will call it, to be decided later. Mrs Bradford moved Mrs Lewis on this motion carried.

Mrs J. Haugh offered her home for the first card party. She to get in touch with Mrs Brooks & let her know when it will be convenient to hold same. Mrs Lewis promised to get up one table. It was thought advisable for so many members to provide lunch at different times, so as not to call on all members every time.

Mrs Raymond then gave a very interesting talk on Fabrics which was much appreciated.
