

Engelhart Hospital
Dec. 27, 1963.
Dear friends just
a line to thank you
all for your share of
the lovely Christmas
basket I received
Some other ladies
got baskets but
none as generous
as yours:
I am able to get around
the room by myself
and do odd jobs
Thanking you all
again Sincerely

Eliza A. Miller

III Appreciation

Thank You

The little houseworn
and boots for Cheryl
are really cute and
so very useful. It was
nice you chose that
particular pattern because
I had a little blanket
just the same. Many many thanks
to you all.

Your gift was
really darling!
Baby's sure
to think so, too.
So many, many
thanks again...
It was so nice of you!
