INSTITUTE CREED

Keep us, oh God, from pettiness; let us be larger in thought, in word and deed. Let us be done with fault-finding and leave off self-seeking. May we put away all pretense and meet each other face to face without self-pity and without prejudice. May we never be hasty in judgment and always generous. Teach us to put into action our better impulses, straight forward and unafraid. Let us take time for all things, make us grow calm, serene and gentle. Grant that we may realize that it is the little things that create differences, that in the big things of life we are as one and may we strive to touch and to know the great common woman's heart of us all, and, oh Lord God, let us not forget to be kind.
