Junior Farmers Association plans annual meeting in Toronto

The Junior Farmers' Association of Ontario will hold its 35th Annual Meeting and Conference at the Inn on the Park in Toronto, March 14 to 16. In recognition of the occasion the association will host a special reception for past presidents and past secretary-treasurers on March 15.

It is expected that 350 delegates representing Junior Farmers clubs from across the province will be in attendance at the 1980 conference. The annual meeting will give delegates an opportunity to discuss some of the current issues affecting Junior Farmers and will also give the delegates an opportunity to participate in a number of activities designed to teach leadership skills.

The Junior Farmer Association of Ontario is a rural youth organization with a membership of approximately 7,800 young people ranging in age from 15 to 29. The Northumberland Country Junior Farmer Association has approximately 90 members. Cathie Lowry of Campbell-

Young people wishing to learn more about the activities of the Junior Farmer Association should contact one of the above.
