Presented to: David McDougall

General Proficiency Award
Presented to: Anjela Van Egmond

Valedictory Address- Anjela Van
Egmond

**Service to the Community
Award**
Presented to: Mike Scriver

Rose Show and fall garden tour

CHRONICLE JUNE 28/94

Garden Club

Colborne and District Garden Club held a very successful "Garden Tour" June 4. This was our first attempt, and all who graciously opened their gardens, all helpers and promoters, are indeed pleased with the very positive results.

It was a lovely day and the diversity from garden to garden was also a pleasure as the countryside was beautiful.

The maps provided on our tickets were well laid out and not a flaw could be found. Hosts were happy to answer questions and make all feel welcome. Well done and thank you.

The good news is that a "Fall Tour" is now being planned for September so if you missed the first one, be ready to join us to see what the fall garden has to offer.

We have a wonderful variety of gardens, large and small, in this area and avid gardeners willing to share the results of their hard work and

knowledge with us all.

Our rose show June 20 at Prospect Church Hall, although few number of entries, was rich in quality.

We had only 16 exhibitors and 109 exhibits and we thank those who, despite the heat, made this show a delight.

We had Dr. Fern Rahmel of Ballieboro, a renowned rose expert, with us to judge this show.

After giving her comments, Dr. Rahmel informed us this was her last show as a judge, so we were extremely pleased that she had accepted our invitation.

She had brought books, and lots of specimens of various roses to show us. We thank her so much for her time and knowledge imparted to us and wish her every happiness in the future.

We thank Peg Tozek and her helpers who took over for Ada Winter.

Our president, Sharon Rusk, conducted our meeting. We were asked to remember Elizabeth Rutherford, a long-time

and respected member who passed away recently. Her work for our society over many years will be remembered and much appreciated.

Also we remember the passing of Jim Trotter, president-elect of the Ontario Horticultural Society.

Among events of interest coming up are the District 4 Flower Show at Baltimore Arena on Thursday, Aug. 4.

There will be an open house at the Day Lily Farm in Orono on July 23 and 24 and it is well worth a trip to see these lovely flowers in great profusion. There is no admission charge.

Sharon asked us all to think up a design for a club banner and submit our ideas to the executive. It seems we are the only club in the district that does not have a banner.

Our Colborne emblem is the apple blossom, so please be thinking of a design incorporating this with title "Colborne and District Horticultural Society."

Door prizes were won by Gladys Black and Beryl

Ward and were given by Jacques Filteau, including some of his spectacular iris.

Gordon Smith took two red ribbons for best exhibit other than a rose with a gorgeous yellow iris.

Other prize winners were: H. Dance, 14; J. Filteau, 1; J. Filteau, 11; J. Fox, 2; A. Gresham, 10; V. Holder, 1; K. Island, 5; M. Jackson, 8; A. Jackson, 3; S. Johnston, 5; D. Johnston, 3; C. Lawrence, 5; A. Lee, 3; S. Rusk, 1; W. Rusk, 1; G. Smith, 15.

A delightful lunch of cakes, doughnuts, cheese and fresh fruit was provided by members of Kay Island's group and much enjoyed by all.

Our next event is our popular summer show to be held at Castleton town hall on Saturday, Aug 13 at 2:30 p.m.

This is usually a large show with a special display of glads; a time to enjoy the friendly hospitality of our neighbouring community.

Mark this on your calendar, and have a happy summer.

— Cicely Scroggs
