

COMMUNICATION

ESTABLISH AN EMERGENCY SIGNAL WITH FAMILY, FRIENDS, NEIGHBOURS AND DELIVERY PEOPLE.

Alert them to contact OPP or Municipal Emergency Crew, if they see your emergency signal.

SIGNAL OPTIONS INCLUDE:

A bright "glow in the dark" Yellow or Orange ribbon attached to mailbox, door, gate or tree. A RED BOW is not effective during extended Christmas Seasons.

Drapes fully opened or closed.

Red blanket covering window or door.

If you need help, blow a whistle to alert neighbours that you need assistance.

Set up a volunteer list for neighbours to contact each other until the emergency is over. Especially during an emergency, all elderly or shut-ins must be contacted every day.
