Ottawa, March 17th, 1937.

Dear Sir,-

In connection with your recent enquiry with reference to the Scugog Indian Reserve in the County of Ontario, I may say that our records show that the Island, containing 800 acres, was purchased by the Mississaugas of Lake Scugog with the proceeds of their own annuities on November 3, 1843. I trust that this information will be satisfactory.

Yours very truly,

T. R. L. MacInnes,
Secretary.
