ON THE COVER

Did you know that the Erland Lee (Museum) Home hosts a variety of hands-on workshops throughout the year? From crafts to baking and other fun projects in between, there's bound to be something of interest for everyone! At a workshop on Saturday, June 11, 2016, participants learned how to create planters containing edible flowers and plants. What a great way to keep healthy and delicious foods close by – and they sure look beautiful too!

For more information on upcoming workshops, see the back page of this newsletter or contact the Museum at 905-662-2691 or erlandleehome@fwio.on.ca.
