## **New school for the new school year**

Classrooms were ready for students on the first day of school, Tuesday, September 3, although some work on the new Tweed Elementary School continues. During the week of August 26, the school administrators and secretaries were at S.H. Connor School, in Tweed, to accept new registrations and meet with parents and interested staff. Demolition of Tweed Hungerford Senior School is in full swing and will continue for some time to come.
