Tweed Library... the best in the country!!!

Len DaSilva of Tweed presented a \$500 cheque to Cathy Anderson, Librarian, Tweed Public Library recently. This funding will be used for the purchase of fiction and non fiction books for the juvenile section of the library. The new pre-teen books will replace some of the current books that are getting old. The annual donation from DaSilva is from the Royal Bank of Canada where DaSilva was employed. DaSilva said "we are looking to make this library the best in the country."
