

Shiloh United Brethren mark 100th anniversary

For the congregation of Shiloh United Brethren Church, Sunday was a very successful day. The weather was superb. It is their prayer, that will be an omen of the week's weather. In the neighbourhood of 230 people gathered to commemorate the past century, to dedicate the new Christian Education Addition and rededicate the former portion. After the service, old

acquaintances from a wide variety of places were renewed at a fellowship luncheon.

The morning speaker, Rev. Fred Mentzer who developed the theme "Christ Through the Ages", has changed a bit in appearance from his picture of 1931, that was posted in the picture gallery of former pastors, weddings, activities of Sunday School, ladies' groups, Christian Endeavour, the building

committees of 1948 and 1968, and the founders and old families of the Church.

The evening speaker, conference superintendent, Rev. Keith Nicholson of Kitchener, commended the congregation for the improvements to the outside of the Church and challenged them to remember the spiritual needs of the people within the Church.

Special music for the

occasion was a trio by Mrs. Margaret Collins, Toronto; Mrs. Charlotte Wilson, Pinkerton; and Mrs. Shirley Woodason, Tiverton; and family numbers by Rev. and Mrs. Martin Magnus, Cindy and Brian, and the Bruce Central Accordion Band.

Former C.E.'ers had a reunion in the afternoon.

A historical booklet — Through the years with Shiloh U.B. Church, is on sale for anyone interested.

Scrp V4.4

The congregation of the Fourth of Bruce United Brethren Church were proud of the exterior of their building on Sunday as the one hundredth anniversary was celebrated. New siding was recently applied to the church.

Attend high school reunion Monday
