

BEALTON WOMEN'S INSTITUTE

Please extend to the members of the Bealton Women's Institute my sincere regret in joining with you in this special occasion of celebrating your fiftieth birthday anniversary.

May the Bealton Women's Institute always continue to inspire, lead and record the community activities for the continued betterment of "Home and Country".

Mrs. R. C. Walker,
Provincial Curator of
Tweedsmuir Histories,
F. W. I. O.

On the occasion of the fiftieth anniversary of your branch, I wish to extend the greetings of the Provincial Board. May I add my personal greetings and hearty congratulations.

An anniversary is a day to remember years of shared effort and worthwhile accomplishments. I am sure you will look back with pride and satisfaction today on your work and that your History Book, which bears the record of your achievements, is truly your pride and joy. I hope some day, to have the privilege of seeing it. May you have a splendid day, and find renewed enthusiasm for our work.

Mary Trivers,
President, F. W. I. O.
