Women of Colour, Refugee & Immigrant Women's Health Promotion Grants

1 9 9 3 - 9 4 P r o g r a m

Goals

- to fund projects which address the health promotion needs of women of colour, refugee and immigrant women in Ontario
- to encourage a women-centred approach to women's health promotion in refugee and immigrant communities, and communities of colour
- to promote educational and training initiatives which advocate for equitable access to health in the context of women's experience of violence and discrimination based on gender, dis/ability, race, social status, class, language, culture and/or sexual orientation
- to support increased organizational development, co-ordination and networking within and across communities of refugee and immigrant women, and women of colour

Criteria & Guidelines
