

## **HUMPHREY HOUSE EARNS ITS PLACE IN HISTORY AT SATURDAY CEREMONY**

LINCOLN—The Town of Lincoln will be recognizing its agricultural heritage this weekend as it designates a Campden farmhouse as a heritage building.

The Town's Municipal Heritage committee and owners Fred and Anya Humphrey will host a designation ceremony at the Henry W. Moyer - Humphrey House. The home was built circa 1870 in the former Township of Clinton.

Several members of the Moyer family have lived in the house beginning with Henry W. Moyer. The most recent Moyer resident was Irvin Moyer in the late '50s. The present owners, the Humpheys, took possession in 1979.
