

MRS. HOODLESS

A small picture was found among the things that came from the Guelph University along with the Hoodless Silverware. Mrs. Nixon, who is on the Homestead Committee, had it repaired and mounted on velvet and framed. It was beautifully done. Shown are three presidents admiring same. Mrs. Noblitt, President of Ontario; Mrs. Farquharson, President of A.C.W.W. and Mrs. Fulton, President of F.W.I.C.
