

IN MEMORIAM

JESSIE HARPER

Gone but not forgotten is the memory of a very dedicated lady — Jessie Harper, who gave untiring of herself and talents to many organizations, passed away Nov. 20, 1980.

Jessie had been associated with the Ladies Division of the Lincoln Agricultural Society for over 30 years. During those years her interest and dedication was prominent in 2 areas of the Fair, the organization displays and the Baby Show, being on the Committee and then assuming the Chairmanship of each.

She accepted the position as President which she held for five years, 1963-1967 and was Secretary for 1 year. Even in her later years, suffering from her lengthy illness, she was still a keen exhibitor.

The memory of Jessie will live for many Fairs.
