TWEEDSMUIR HISTORY BOOK

COMPILED - 1952 to 1980

It was in the early forties that the members of the Belfountain-Rockside Women's Institute decided to compile - "A TWEEDSMUIR HISTORY BOOK".
The first Curator appointed was Mrs. W.H. Miller with Mrs. Fred Wilson and Mrs. George Scott on the committee. These three women set the foundation for the History which is to be found in this volumn.

The first Book was purchased in 1952. It has a hard hinged back, covered with blue material with black leather corners. The 11 X 14 inch sheets are lined and the items of history have been written by several of the members using blue-black ink. This Book is being retained as a reference album.
The present Book was purchased in 1963 with the articles typed on blue bond paper. The typing on these pages has been done by:

- Mrs. Merribel Morris
- Miss Alice Jelly
- Mrs. John Scott
- Mrs. Wm. Laughlin
- Mrs. Gordon Corbett.
