Her membership and her contribution to the starting and compiling of this History Book along with other work through the years has meant much to the Branch.

Committee Member--

Mrs. Fred Wilson

1952--1957

Mrs. Fred Wilson was a member of the first Tweedsmuir History Committee and contributed much to the starting and early compiling of this History Book.

Mrs. Wilson first joined the Belfountain-Rockside Branch in 1924 and served as President on three occasions - 1930-1931; 1939-1943; 1945-1947. She was Convener in Peel County Institutes; Convener of Agriculture & Canadian Industries in the Central Convention Area; President of Peel County Institutes in 1948-1949 and after the division was President of Peel North District 1949-1950. She was Alternate Board Director 1952-1955, taking over the duties of the Director, Mrs. Sam Wilson who, due to illness, was not able to complete her term of office.

Mrs. Wilson was made a Branch Life Member in August 1949 and a District Life Member in May 1950.

The Institute lost a faithful and enthusiastic member--and a good friend--when Irene died, after a lengthy illness August 8, 1965.
