Our grateful appreciation to the Birr and Beyond book sales over a period of eight years, which has supplied the funds to type our Tweedsmuir History in preparation for the printing (in book form) Volume II of Birr and Beyond in the future, possibly 1968 when we can record our Branch's activities of the past ten years with the centennial year included.

Proof Readers- Volume Two : Mrs. John Adams, Mrs. Arthur Erickson, and Jack Legg Sr.
