

BURLINGTON HISTORY GALLERY

The material gathered in the Burlington History Gallery is arranged in chronological order to give historical perspective and continuity. On view in the gallery is the Museum's earliest artifact – a portion of a mastadon's tusk, found locally, dating to 9,500 BC.

Also featured is an exhibit describing the golden years of agriculture when Burlington was commonly referred to as "the garden of Canada".

Wellington Square Parlour, Circa 1867

JOSEPH BRANT MUSEUM

1240 North Shore Blvd.
Burlington, Ontario L7S 1C5
