

CONFERENCE OPENS—Looking over a visual education apparatus are three delegates to a conference of the Ontario Federation of Chapters of the Council of Exceptional Children at Centennial Hall. About 1,600 delegates are expected to discuss problems of slow-learners, bright, physically-handicapped and psychologically-impaired children. From left: Dr. Madeline Hardy, of London, Ontario federation president; David E. MacFarlane, Georgetown; Eileen Henry, Toronto; Paul Park, London, Ontario president.
