

The name Mamie Clark is familiar to me. If I remember correctly she lived on the 10th line north of the Cody's Side Road next to the farm where my Aunt Maggie Murray lived. The Clark house was stone as that one in the picture appears to be, so I would agree with Mary Mackay on that one. I do not recognize the gentleman. So sorry that I could not be more help. *This could be her birth home. From Mamie Clark daughter of Dan Clark, Anne Coleman ^{from} Mackay*
