Hi Bernice,

Now this was truly a "blast from the past"! It was great to attempt to name the women. Judging by the clothes I would say that these photos were all taken at the sewing course. I was one of the leaders at this course and my one memory is that I did a demo on sewing a zipper and I sewed it in backwards or maybe it was upside down.

This is my best guess at those in the photos. All named will be left to right.

1st photo: Ivadell Howe, Jane McKay, Arlene Mackay (?)

2nd photo: Ivadell Howe, Jane McKay, Hannah Chambers

3rd photo: Emmy Walton, \_\_\_\_\_, Nona Shulman, Jane McKay

4th photo: \_\_\_\_\_, Tena Zomer, Mary Walton, Carmine Sim

5th photo: front row Donna Howe, Norma Howe, Hannah Chambers, \_\_\_\_\_

second row Mary Walton, Ivadell Howe, Tena Zomer, Alice vanderSpek, Joan Hunt and grandchild

third row Emmy Walton, \_\_\_\_\_, \_\_\_\_\_, Arlene Mackay(?), Jane McKay, Nona Shulman

I wish I could have identified everyone, but I hope this is some help.

You deserve a medal for your effort.

Regards, Jane
