① (ON TOP OF OLD SMOKEY)

We need some new people,  
Our membership's down,  
We'll just have to go out,  
And canvass the town.

CAST { Well, I'll take the west side,  
And I'll come along.  
Then I'll take the east side,  
And I'll go with Joan.

We'll pick up the challenge,  
Knock on every door,  
We'll tramp all the highways,  
Till our poor feet are sore.

② (COME TO THE CABARET)

What good is sitting alone in your room,  
Your skills are needed dear,  
Come to the W.I. my friend,  
Come out and volunteer.

Put down your knitting, your book and your broom,  
We need you, have no fear,  
Come join the W.I. dear friend,  
Come on and volunteer.

Come join our band, come lend a hand,  
Someone in need is out there waiting,  
You can start them celebrating.

No use in sitting alone in your room,  
You've got friends waiting here,  
Come join the W.I. old chum,  
Com on and join and have some fun,  
Come on and volunteer.

③ (TWINKLE, TWINKLE LITTLE STAR)

Hello Mrs. McKinnon,  
Won't you join the W.I.  
There are lots of things to do  
And we're really needing you,  
We've been canvassing the town,  
Please let us put your name down.

④ (ON TOP OF OLD SMOKEY)

We need some new people  
To let their name stand.  
We'll soon have elections,  
So give us a hand.

this fun!
