

OXFORD COUNTY

"MILKING PARLOR OF CANADA"

TODAY IS THE DAY - - - -

THE CHIEF PURPOSE of your education is so to train your faculties that you may have the greatest opportunities for usefulness and happiness. This is the test of your growth and progress. If each succeeding day finds you doing more useful work, with increased joy and interest, then you may be sure you are traveling in the right direction : : Life does not stand still. Where there is no progress there is disintegration. Today a thousand doors of enterprise are open to you, inviting you to useful work. To live at this time is an inestimable privilege, and a sacred obligation devolves upon you to make right use of your opportunities. Today is the day in which to attempt and achieve something worth while.
