

Brown's W.I. Outlines Plans

The May meeting of Brown's Women's institute was held at Brown's School on May 15.

President Mrs. Reg Harris presided for the business part of the meeting.

Correspondence included letters which announced the 4H achievement day to be held at Embro on May 26 at 9 a.m. and a forum on freezer foods on May 29 from 8-10 p.m. and May 31 from 1-3 p.m.

Estimations were given regarding landscaping for the school. Mrs. David Miller, Mrs. Reg Harris, and Mrs. John Uren and Mrs. Mike Vanstrein were named as a committee to look after this matter.

Mrs. David Arthur presented Mrs. John Conway with a gift of appreciation for her work as president for the last year.

The recommendations from the executive meeting were read and voted on.

They are:

1. That an additional \$25 be paid to Brown's United Church.

2. That a used Gestetner be purchased for \$40.

3. That the euchre committee be Mrs. Reg Harris and Miss Joyce Bruggess as co-conveners and Mrs. David Arthur,

Mrs. David Miller, Mrs. Harvey Barons, Mrs. Clarence Tate and Mrs. Fred Arthur as the committee.

That each member contribute \$4 towards buying the prizes for the euchres and the conveners purchase the prizes. Also each group be in charge of two euchres during the season.

5. That a variegated maple tree be planted on the school grounds, commemorating the bicentennial.

6. That two minute reports be optional.

7. That a bus be chartered in August for members and friends to attend a play, with Mrs. Fred Arthur as convener.

8. That the institute will sponsor a euchre, the proceeds of which will be given to the Northwestern Branch of the Cancer Society.

Grandmother's Day.

Mrs. John Hawkesworth introduced Mrs. Harold Pickel of Wellburn who told about some of the new varieties of vegetables available for planting such as Celebrity tomatoes which mature in 56-62 days, red onions, white self wrapping cauliflower, baby carrots, and a bush squash. She had a display of herbs with information on their growth and use.

Mrs. Uren presented Mrs. Pickel with a gift.

The roll call was an exchange of plants. A musical contest was conducted by Mrs. Uren.

Courtesies were made by Mrs. David Miller. Lunch was served by the group.

Looking Back...

TEN YEARS AGO

Mr. and Mrs. Harold Irvine are on a week's vacation motoring to Ottawa and other points.

Mrs. Mary Powell has returned from a six month motor trip crossing thirteen states and spending a few months in Phoenix, Arizona, Los Angeles and Pasadena.

Dingo Catamarans have been spotted out on Wildwood Lake.

TWENTY-FIVE YEARS AGO

The new street lighting is the most efficient, economical type and has been praised by many, says the PUC.

Both Constable's Garage and Service Station and the Pinecrest Inn are in the process of being spruced up.

The old Junction Water Tower, which has seen many glorious days including the Royal train of King George VI and Queen Elizabeth in 1939, is in danger of being taken down.

FIFTY YEARS AGO

The Liberals have swept the vote in Perth and all adjacent ridings.

Recent St. Marys university graduates are Norma Maxwell, Dorothy Greason, Greta Abrey, Dick Ruch, David Forcht and John Hawkesworth.

"The most popular car in the world is the Ford V-8".

ONE HUNDRED YEARS AGO

The haw crop is going to be a good one this year.

The Queen street sewer is being tapped by Mr. R. Box at his new block.

Old plank sidewalks are being replaced all over town by asphalt. The change is a good one for the taxpayers.

Horse-back riding, always popular with the ladies of St. Marys is more so this season than ever before. The exercise is good, and of course a nice figure is shown off to advantage on horseback.
