BLUE CIRCLE CEMENT

Members of the St. Marys Blue Circle Cement Midgets pose for a photo with the championship banner at their team celebration Sunday night. The Cement men captured the International Silver Stick tournament by winning five consecutive games on the weekend. The Midgets were given a traditional ride through town on the fire truck after they arrived home. The Cement Midgets are the first St. Marys team to claim an 'A' title at the prestigious tourney. The team is coached by Todd Campbell, Scott Graham and J. P. Cousineau.
