

Associated Press

The Queen follows her mother's coffin as it is carried from Westminster Abbey after a pageantry-filled ceremony for the Queen Mother. Following the casket, from left, are the Queen's grandson, Prince William, her sons, Prince Edward and Prince Charles, and, at far right, Charles's son, Prince Harry. For full coverage see Pages E1-6.

As a young woman in 1909.

Settling in as Queen Mother in 1965.

Still beloved in 1999.
