

project raises \$3,866

The Tri-County Foodgrains Project will send \$3,840 to the Canadian Foodgrains Bank, proceeds from this year's soybean crop. In this photo Sharon Rounds, who owns the land the beans grew on, presents the cheque to treasurer Bev Slater and project chairman Sheila Greason, project board members. The Canadian International Development Agency will match the money 4 to 1, for a total of \$19,203 to be used for food assistance in a Third World country. The Tri-County Project is supported by St. Marys Pentecostal Church, First Baptist in St. Marys, East Nissouri Union Church and the St. Marys Salvation Army.
