FEB. V. I. McINTOSH 15 1967

Of St. Marys, was named Perth Riding candidate by the Ontario New Democratic Party at their nomination meeting at Mitchell on Friday last. At a very large turn-out of N.D.P. enthusiasts and supporters he was picked on the first ballot over the rival candidate, Jack Roukema, of Stratford.

A former party candidate, Tom Soper was chairman for the meeting and a Perth County executive was named at the meeting as well as a constitution being approved.

The Perth people were happy too, to have Donald C. MacDonald, M.P.P., Ontario New Democratic leader as speaker for their nomination convention. Mr. MacDonald spoke of the present problem of providing adequate legislation to supervise finance and loan companies. He thought the current crisis had been met, but through a "most extraordinary piece of legislation." He felt that it was a very uneven application of the law, and that it indicated that "once again the Government of Ontario is unwilling, except on an emergency basis and under pressure of events or of great public outcry, to protect the interests of the people."

The executive named were as follows: President, Tom Soper; 1st Vice-President, V. I. McIntosh; 2nd Vice-President, Jack Roukema; Secretary, Mrs. Frank Wraith, Stratford; Treasurer, Klaus Schmidt, Stratford; Public Relations, Frank Wood; Organizer, Mrs. Frank Wraith.
