## Pioneer Days At Wildwood

For the past two weeks, Wildwood Park School staff and students have been studying pioneer people. Demonstrators at the school included Mrs. Joyce Groves, London who made apple head dolls; Mr. and Mrs. Allan Slater who made butter; and, Mrs. Joan Facey who spun wool into yarn.

During this unit, the children made bread and buns with Mrs. Hryniw, learned square dancing and Canadian songs with Mrs. Mainprize, made toys with Mrs. Dyer, and helped Mrs. Redman make a quilt.

This project concluded when parents and friends of the students were able to enjoy all the knowledge learned. Everyone viewed the beautiful quilt on display.

**JEFF KITTMER, 7, DRESSED UP IN AN** engineer's outfit to mark Wildwood school's kindergarten graduation day Friday. With Jeff is Karen Arthur, Theme for graduation was pioneer days. (Staff Photo)

**CHILDREN ROMP AROUND IN** the playground at Wildwood School near Kintore. Thirty kindergarten students graduated Friday and after the formalities they rushed outside to play. Graduation was the

culmination of a two-week pioneer theme at the school. Children made pioneer toys and together made a large black and white quilt. (Staff Photo)
