

Brown's church holds concert

On Sunday morning Brown's Church was filled to capacity for the annual Sunday school concert. Rev. Jean Baker was chairman for the program.

The nursery class decorated their Christmas tree while singing Here We Go Round the Christmas Tree.

The kindergarten class acted out the story of Christmas and sang Away in a Manager.

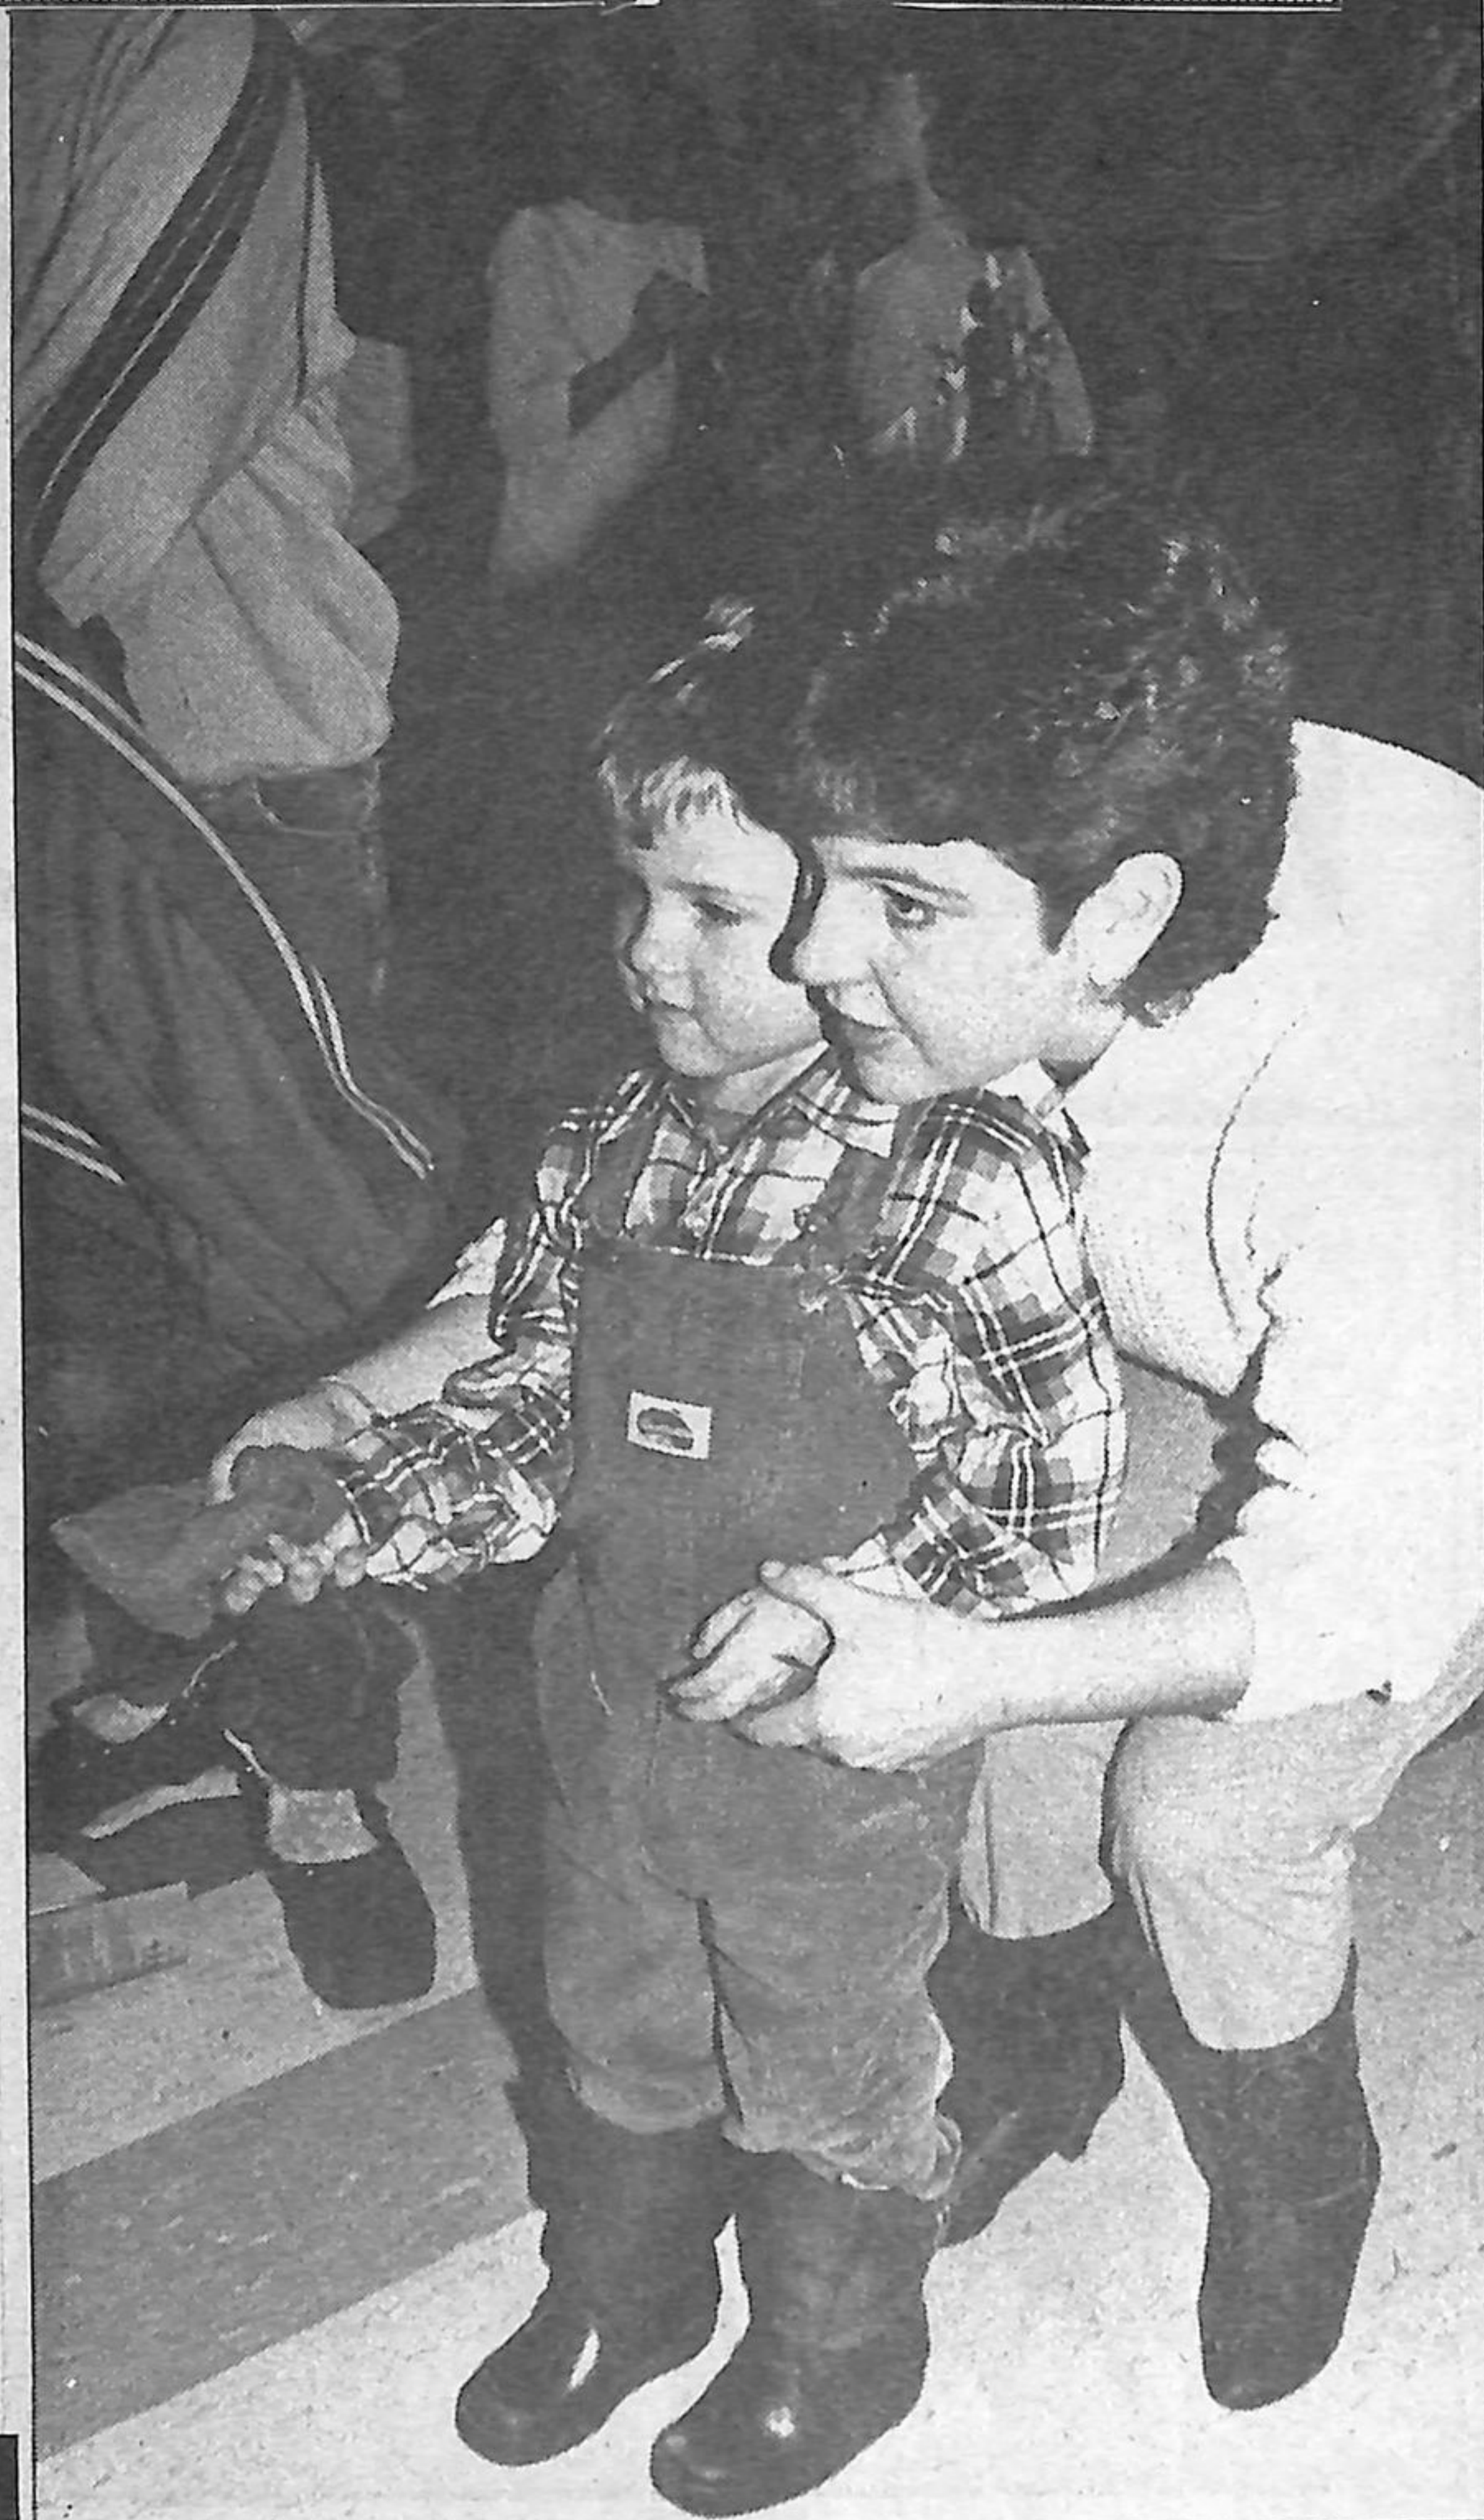

The Grade 1 and 2 children presented The Symbols of Christmas, a skit, while the Grade 3 and 4 students told The Story of the Littlest Star.

The rest of the Sunday school presented a space-age version of the season, called Christmas 2001. This musical was complete with rocket sounds, a time machine and a robot, CD2, an exceptional presentation about God's first Christmas gift to mankind.

Then Santa arrived to give all the children - little and big - bags of candy and their Christmas gifts.
