39 and Holding Club

On Monday evening, Jan. 18, the 39 Club met at the home of Alton and Shirley Baynes.

Everett and Mabel Hardie assisted them with the program. President Harold Pickel opened the meeting with a new year's resolution and gave all a friendly welcome.

Everyone was given a flower arrangement to wear around their necks on a boat cruise. This was read in Genesis 6 when Noah and his family were in the boat.

A quiz and many explanations on this scripture reading made a very good cruise.

Mr. and Mrs. Leo Walsh were guests and Mr. Walsh's violin playing twice in the program was very much enjoyed and appreciated.

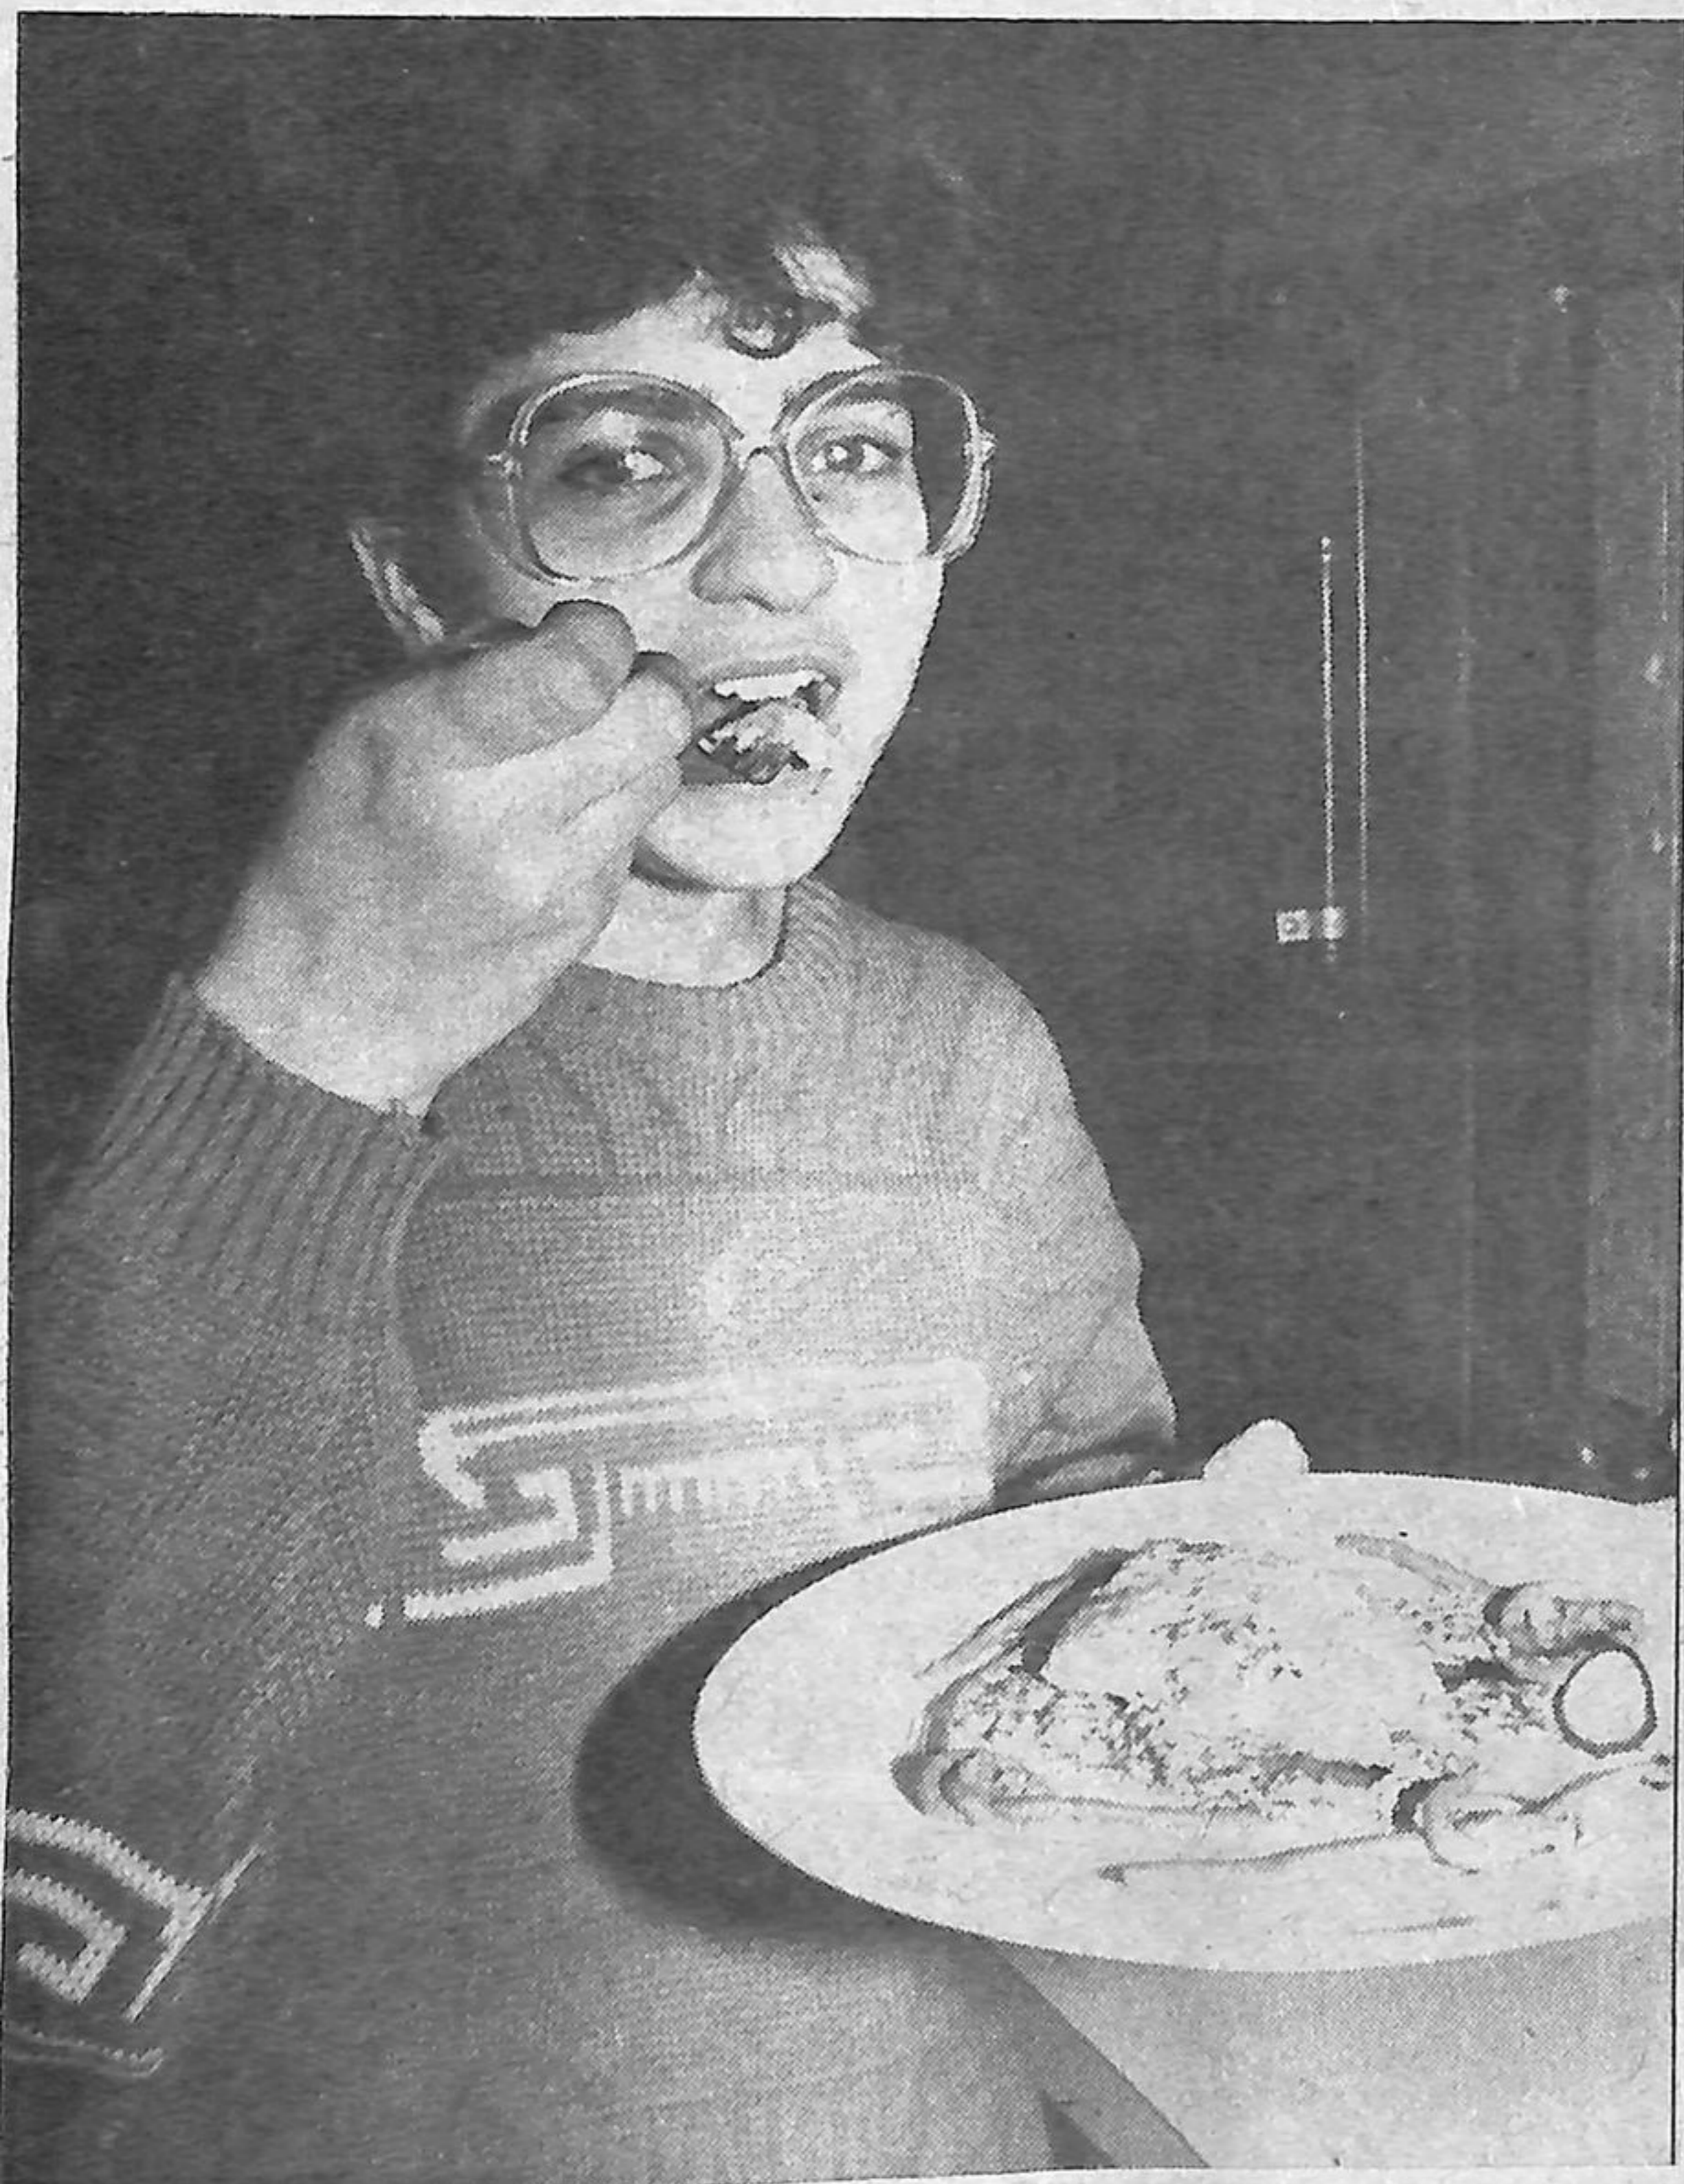

A few bingo games and a geography contest was a fun recreation period and a delicious lunch was served by the committee.
