

Our membership is divided into the five standing committee groups, each of which presents two meetings a year. In ^{dividing} our members into these groups, each one participates in some way in the year's programs. Our meetings include a roll call, mottoes, current events, topics, demonstrations, contests, music and often a guest speaker. At the conclusion there is a social hour with refreshments. Half of our meetings are held in the evening and the other half in the afternoon. Sometimes in place of a regular meeting a bus trip is enjoyed. Our branch has attended the Stratford Shakespearian Festival as a group.

Many of our members have participated in the short courses offered by the Department on all branches of food preparation, millinery, sewing, conducting of meetings, cultural activities, making of lamp shades, making leather gloves as well as many others.

A friendship has been enjoyed with a sister group, the Lady Tweedsmuir Women's Institute in Clsfield England. We exchange gifts at Christmas and letters during the year. One of our members, Mrs. D. Metcalfe has a letter she received from Lady Tweedsmuir.
